WIRELESS TEMPERATURE MONITORING WITHOUT LICENSING FEES

AEGIS SCIENTIFIC

THE CENTRALIZED SOLUTION FOR TEMPERATURE, HUMIDITY, CO2, AND POWER!

TOTAL COVERAGE

The flexibility of the Aegis Remote Monitoring System is a perfect fit for any environmentally controlled area in ANY industry such as food & beverage service, industrial accounts & museums. With Aegis sensors covering not only temperature and humidity but power, wetness and CO_2, they can not only cover your sensitive areas and valuable equipment but can save you man hours and prevent costly losses.

STAY IN COMPLIANCE

The days of manual tracking and recording are over. Never be out of compliance with Joint Commission Standards with the 24/7 centralized monitoring system that will cover all areas of your facility, on or off campus.

YOUR COVERAGE NEVER SLEEPS

Once installed and configured, the system is designed to work without user intervention. Should any of your systems fall out of range, you will immediately be notified by e-mail, SMS/text message or a call from an outside call center service.

ADDITIONAL FEATURES INCLUDE:

- **No licensing fees** for additional users or locations
- Real-Time reporting
- Location mapping
- Expandable to all departments
- Use your existing 802.11 (Wi-Fi) infrastructure
- Low maintenance
- Color coded real-time reporting/graphing
- Multiple campus monitoring
- NIST certification available
- On-site and remote system

AEGIS OFFERS ADDITIONAL SOLUTIONS TO FIT ALL TYPES OF ENVIRONMENTS.

PLEASE CONTACT YOUR LOCAL WWLS LABORATORY CONSULTANT FOR A FREE NO-OBLIGATION CONSULTATION OR DEMO.

Aegis Monitoring Systems are designed to minimize the risks that facilities face with temperature and humidity controlled environments. Our expandable and easy to use wireless system is your centralized solution for monitoring and data recording.

Aegis Compact Refrigerator

- +2°C to +8°C
- Digital temperature display
- White painted steel exterior and ABS interior
- Single hinged double-pane glass door with lock
- LED lighted interior
- Adjustable feet

Part No.	Size	Shelves	Exterior Dimensions (w x d x h)	Weight	Price
50211032	2.5 cu.ft.	2	22.5 x 22 x 29.75 in.	115 lbs	$873.00
50211033	4 cu.ft.	3	24.5 x 22 x 35.25 in.	144 lbs	$931.00

Aegis Compact Freezer

- -18°C to -22°C
- Digital temperature display
- White painted steel exterior and ABS interior
- Single hinged triple-pane glass door with lock
- LED lighted interior
- Adjustable feet

Part No.	Size	Shelves	Exterior Dimensions (w x d x h)	Weight	Price
50211034	2.5 cu.ft.	2	22.5 x 22 x 29.75 in.	120 lbs	$1,183.00
50211035	4 cu.ft.	3	24.5 x 22 x 35.25 in.	154 lbs	$1,284.00

Be sure to ask your WWLS consultant about the optional Aegis Remote Monitoring System to track the temperature of your new (or existing) compact unit!
